**PLATINUM CARGO LOGISTICS, INC. ANNOUNCES NEW OFFICE**

**Torrance, CA** – Platinum Cargo Logistics, Inc. announced today that it has opened a new licensee office in Atlanta, GA.

Operating as the Atlanta Regional Office, this new location is a valued member of the growing Platinum Cargo Logistics network. Diana Bomar, V.P. Business Development commented, “The Executive Team is pleased to announce the addition of Atlanta, GA to our growing network. The Atlanta market is highly diversified, with no single industry or firm truly dominating the local economy, though more than 24 Fortune 1000 companies are headquartered in the Atlanta metro area. There has been a concerted effort for many years to make Atlanta the high-tech center and a leading world center of business and trade and now more than 1300 foreign-based businesses have operations in Atlanta. That is in part why Platinum Cargo Logistics sought to open this market however, there is also a personal side to this story. Matthew and Jay Johnson are not only seasoned business owners, but long-trusted, former colleagues. Both Matt and Jay have a high level of integrity and industry knowledge which they bring to the Platinum network along with a team of 10 employees . This team has an excellent reputation and proven track record of trusted client relationships and is dedicated to providing impeccable service and support in both sales and operations.”

At Platinum Atlanta, Matthew, Dimitri, & Scott will cover sales while Jay, Duncan, Donna, Brent, & Josh work operations with Erin providing administrative support. Platinum Atlanta also operates a trucking and cartage entity, ATLFreight.com, with drivers Michael, Charles, & Derrick.

Diana continued, “We have appointed Platinum Atlanta as our preferred cartage agent in the ATL market and call on all Platinum offices to support our newest family member with both sales leads and cartage work. I know that our offices will enjoy working with Team Atlanta so please take a moment to welcome them at [opsatl@platinumcargo.com](mailto:opsatl@platinumcargo.com) and [salesatl@platinumcargo.com](mailto:salesatl@platinumcargo.com) .”
