**PLATINUM CARGO LOGISTICS, INC. HIRES INDUSTRY VETERAN STEPHEN SCHEIN AS REGIONAL ICS
MANAGER**

Torrance, CA – Platinum Cargo Logistics, Inc. announced today that it has hired industry veteran Stephen Schein as Regional ICS Manager based out of their Wheat Ridge, CO (DEN) station.

Mr. Schein has a broad background in international studies, and specific experience in international operations and sales in the freight forwarding industry. Over Steve's career he has handled most facets of international business - import, export, air and ocean and currently he is completing customs broker studies with the goal of obtaining his customs broker license.

Steve also has experience working in the customer side of our industry as Manager of Imports and Exports for Augusta Sportswear, based out of Augusta, GA., where he facilitated reducing logistics costs for the company by over \$250,000 within his first year.

"I am excited about having Steve join Platinum and the International Customer Service Team (ICS). Steve's international business experience and personal values made him the top candidate as we were interviewing to fill this key position, and add to our growing ICS team collectively," commented Jefferson Clay, Vice President of International.

In this newly created position, Steve will focus on processes, supporting new and current customers in Denver and support the addition of new Platinum offices within the USA. He will help to strengthen and build new customer processes, and vendor and partner relationships around the globe.
