PLATINUM CARGO LOGISTICS, INC. ANNOUNCES NEW OFFICE

Torrance, CA – Platinum Cargo Logistics, Inc. announced today that it has opened a new licensee office in Dayton, OH.

Operating as the Dayton Regional Office, this new location is a valued member of the growing Platinum Cargo Logistics network. Diana Bomar, V.P. Business Development commented, “We had been in discussions with this group for almost a year because Platinum Cargo believed it was a good fit for us and that Dayton, OH is of strategic value to our network. Dayton’s balanced economy is supported mainly by manufacturing, automotive, wholesale and retail trade and services with an emphasis on the manufacturing of products for high-tech industries. Other local industries that will be targeted by the Platinum Dayton sales team include: Oil and gas, castings, compressors, generators, industrial belts, machinery, precision gauges and tools and dies.” Diana continued, “Dayton’s International Airport ranks among the nation’s busiest air-freight facilities and is often referred to as a Midwestern hub since it is only ninety minutes by air from fifty-five percent of the nation’s population according to city sources. Platinum Dayton’s licensee owner, Kevin Snyder, is a seasoned business owner who also owns and operates a successful, mid-sized, regional trucking company serving existing customers. Kevin has years of industry experience including time previously spent with two other Freight Forwarders and opens Platinum Cargo in Dayton with a staff of ten, including both sales and operations. Please join us in welcoming our newest Platinum Team Member, Platinum Cargo Logistics – Dayton.”
